

## About Servolution

Servolution is a ministry designed by Dino Rizzo, a pastor in Louisiana, and through his work, the message of Servolution has spread nationwide.

### So what exactly is Servolution?

A Servolution is not an event; it is a culture. Infusing this culture into the DNA of our church has changed our view of the world and our perspective of the needs of those around us. This movement is rumbling throughout the body of Christ - a revolutionary army of people ready to take up this mandate. We are actively pursuing the lost, the forgotten, and the poor to show them a God who is passionately in love with them. We stand ready with one heart, saying, "I will serve others and show them the hope they can have in Jesus."

You can be a part of this movement. It's simple. Just join one of our Servolution groups, roll up your sleeves, and start to serve. Eventually, you may find you are ready to begin your own group. Our goal is to have multiple Servolution groups working simultaneously throughout our community, transforming Uniontown in the name of Christ!

We invite you to join Servolution, a ministry of UFMC designed to reach out into the community and demonstrate the love of Jesus through selfless service to those in need.

# Servolution Ministries

Servolution provides a free meal to the community every month, on the 1st Monday evening of the month, from 6-7:30. The menu changes every month, and can be accessed on line at [www.utownfreemc.com](http://www.utownfreemc.com). Anyone is welcome to come, no questions asked. Takeouts are available, but we encourage people to eat in so we can spend time and fellowship with you!

But Servolution does much more than that! Here is just a small sample of some of the services we provide:

Passing out water on hot summer days	Cleaning trash on our neighborhood streets
Shoveling snow from streets in winter	After school tutoring of elementary school children during the school year

**And more! Much more!!!**

We have multiple Servolution groups currently operating at UFMC. You are welcome to speak with Pastor Chuck, and he will connect you with the group best suited to your gifts.

There's no better time than right now to get involved and join the **Servolution!!!**
